

## REQUEST FOR DIAL-UP NETWORK ACCESS FROM NON-STC EQUIPMENT

This form is for requesting access to the STC network after hours from non-STC equipment. This access is restricted to faculty and staff who have documented mission-critical needs for after-hours access to the Internet, the IA system and/or the STC Intranet. Access is granted through December 31 of the current year, at which time all users must re-apply.

**Where to submit form:** Please turn in your filled-out form to the office of the Chief Information Officer at the ITS Building

**Equipment configuration:** If you require assistance with the configuration of your dial-up access, you are required to submit a work order to information Technologies, and when instructed, you will have to bring your computer to STC for configuration.
